System for continuous evaluation of students internally is in place. Evaluation is performed by subject teachers through written exam, practical exam and oral exam. Different examination methods like seminar presentations, mini projects are also applied for some subjects.

Detailed explanation with respect to assessment Processes used aspects is presented as follows,

- A student is assessed for her academic performance in theory course through InSemester Examination (ISE) and End Semester Examination (ESE).
- The assessment of End Semester Examination (ESE) has carried out at University level.
- The assessment of In-Semester Examination has carried out at Institute level.
- All the examinations are conducted as per schedule given in the academic calendar.

## * Continuous Assessment in the laboratory

- A list of experiments and the conduction plan is prepared before the commencement of the semester.
- Regular assessment is based on the understanding of experiments, conceptual clarity, regularity and timely completion of the journal.
- Journals are assessed after every practical and orals are conducted throughout the semester. Attendance and assessment record is maintained. Based on continuous assessment final term-work marks are given by the internal examiners.
* Student's assessment of Faculty, system in place
- At the end of every semester, students give feedbacks on teaching. These feedbacks are analyzed. The Principal and Head of Department discuss the feedback with each faculty member.
- Through this discussion, the strengths and areas of improvement are conveyed to each faculty member. Head of Department reviews areas of improvements and suggestions are given to the faculty members.
